Words and pictures on how to make twinkles
in the eye and colours agree in the dark. Thoughts
on mindscaping, moonlighting and daydreams.
Have you seen a purple cow? When less can be
more than enough. *The art of looking sideways.*
To gaze is to think. Are you left-eyed? Living out
loud. Buy junk, sell antiques. The Golden Mean.
Standing ideas on their heads. To look is to listen.
Insights on the mind's eye. Every status has its
symbol. 'Do androids dream of electric sheep?'
Why feel blue? Triumphs of imagination such
as the person you love is 72.8% water. Do not
adjust your mind, there's a fault in reality. Teach
yourself ignorance. The belly-button problem.
